This archive came from the Gail Holmes collection when she went to the VA Nursing home. They were left with Terry Latey in Bellevue, Nebraska and then taken to Utah for digitization. Due to life and the volume of documents they were not digitized and placed here until 2024. They were uploaded in June of that year. The collection will be digitized and placed in the old file folders from his wives music store where he knew how to find them. However, they would not be located by others. The organization was done by Terry Latey and Laura Anderson. There are collections such as, cemetery or settlements ect. which have their own appreciation for the original boxes and in the kindex collection.
