Brief explanation of the Roll and minute Book

of the

Daughters of Utah Pioneers

All rolls and minutes are history and should be accurately recorded.

Always give names, dates, places and important facts.

Roll

"no" means registered number of memberes or "number on their mem-

bership card." Write name in full.

Start your year's record from the date of organization. The months are

not named for that reason. If you were organized in March, start your

record on that date; if in November, let that be the beginning of your record.

The little red line found on first page of roll is for the official name

of the officers of the organization, as Captain, first Vie-Captian, second

Vice-Captain, Recording Secretary, ets.

The blue line across full page of roll is only for convenience of counting.

This book is arranged for all camps regardless of difference in date of

Organization.

Minutes

All camp meetings are Business and social meetings.

All county company meetings are Executive and Committee Members

The spaces were left for you to fill accordingly, so as to keep all minutes

This book is suitable for four years; use in camps
