Let me know if this will work for you. Don't hesitate to send it back or call back for revision, which is easily done.

We could expand, of course, on each individual site, but perhaps this sums it up sufficiently.

Do you have a map or photographs? They might reinforce. Max Jamison might be able to help on that.

Do you know retired architect Ness Latenser, who remodeled the old Douglas County Courthouse and tied it into the new city/county building?

He was vitally interested in the historic area. He lives just north of Omaha. Good man to work with.
